

GUIDED MISSILE AND ASTRONAUTICS INTELLIGENCE COMMITTEE

SS 204007

GMAIC

18 April 1962

MEMORANDUM FOR: Members, Guided Missile and Astronautics
Intelligence Committee

SUBJECT : JCS Plan for Supplementary Collection

1. Forwarded herewith is the JCS Plan which GMAIC requested for review prior to final issuance.

2. In sending this to GMAIC, Major General Dean, JCS, requested that our review include the following:

- a. Overall-all correctness of content.
- b. Facility/platform capability to fulfill collection requirements and excess or overlap of functions, if any.
- c. Classification of various sections.
- d. Completeness and accuracy of distribution lists for message reports.

3. If full coordination through all Services and Agencies can be achieved by GMAIC, there will be no further review. Otherwise, JCS will obtain final coordination following GMAIC review.

4. We will consider this plan at the 24 April meeting of GMAIC.

JCS and State
Department
review(s) completed.
